

Traffic Flow Patterns for Morning Arrival and Afternoon Dismissal

Out of respect for the businesses around the school, we ask that all car riders refrain from pulling through the parking lot at Chase Bank to access Hendricks Avenue. All cars parking in the lots for Chase Bank or other area businesses are subject to being towed by these businesses. If you need to come into the school for any reason, please use the lined parking on Thacker Avenue or park in the gated parking lot next to the school.

In order to aid the flow of traffic during arrival and dismissal, we ask that if you intend to make a left on Hendricks that you use Landon Avenue. If you will be making a right onto Hendricks, consider utilizing LaSalle Street.

Only use ***Thacker Avenue*** to drop off and pick up students at school. All other locations are congested with vehicular traffic and is a safety hazard for pedestrian traffic.

All bus traffic should utilize Arcadia Place from Atlantic Blvd to reach Minerva Street. Car riders, please do not drop off or pick up students from Minerva Street during arrival and dismissal.

To ensure that all buses are able to arrive without undue congestion, we ask that parents refrain from using Minerva Street to access Atlantic Blvd. If you to take Atlantic Blvd when leaving the school, please utilize either Arcadia Place or travel Landon Avenue to Hendricks in order to access Atlantic Blvd.
